

Approved Courses for CRMP Credits

Due to frequent changes in the field of reverse mortgage lending rooted both in lending practices and regulatory requirements, individuals who earn the CRMP are held to a higher educational standard.

Applicants must submit evidence on the CRMP Application that they earned 12 continuing education (CE) credits from courses approved by NRMLA or the Independent Certification Committee. After earning the designation, individuals must earn eight credits annually to maintain their CRMP status.

All courses listed below are valued at 1 CE credit, unless otherwise indicated.
