

I have just over 25 years of experience in the mortgage industry with 10 of the most recent years in the HECM industry. I have held positions in the forward and HECM space that encompass processing, funding, underwriting and operations management. My reverse experience began at Plaza Home Mortgage Inc. where I joined the team as an Underwriter in the Reverse Division and then during my tenure there progressed to become Underwriting Manager, Operations Manager and then AVP of Operations. I currently am the VP of Operations at Traditional Mortgage Acceptance Corporation.
