

Ken Frye, PHH Mortgage Corporation/Liberty Reverse Mortgage

Ken Frye has over 30 years of Financial Services experience, including both forward and reverse loan servicing. In his current role as the Chief Operations Officer for PHH Reverse Servicing, Ken is responsible for all aspects of reverse servicing operations. Prior to joining PHH, Ken held various executive-level positions within the mortgage industry, including Executive Vice President of Reverse Servicing for Ditech Mortgage. From 1998 to 2010, Ken was Head of Servicing and Senior Vice President of

Wilshire Credit Corporation, a wholly-owned subsidiary of Merrill Lynch. Ken started his financial career in Public Accounting focusing on Financial Services, which included roles with Ernst and Young as well as US Bank.
