

Jonathan Scarpati, Chief Production Officer

Finance of America

Jonathan Scarpati was recently promoted to Chief Production Officer. In his new role, Scarpati oversees both wholesale and retail production, helping optimize internal structures and accelerate performance gains that will propel the company forward in its next stage of growth. Scarpati has a wealth of industry experience and was previously Senior Vice President of Wholesale Production. Under his leadership, the wholesale team has consistently ranked as one of the top producing wholesale originators in the reverse mortgage industry. Scarpati has been with Finance of America for 15 years and currently serves on the Board of Directors for the National Reverse Mortgage Association. He spent his first six years in the reverse mortgage industry at Senior Lending Network/Lender Lead Solutions, where he served as the Vice President of Sales for the Wholesale and Lead Distribution divisions. Scarpati graduated from the University of Delaware, where he earned his B.S. in Leadership and Consumer Economics.
