

## **Tim Wilkinson, VP, Capital Markets and Pricing**

Longbridge Financial, LLC

Tim Wilkinson, Vice President of Capital Markets and Pricing, has over 15 years of experience in financial markets, primarily in mortgages, with a focus in the reverse segment. He has experience in a variety of roles, ranging from loan trading and portfolio management to operations and systems implementation. Tim was one of the initial participants in the HMBS market and was involved in proprietary reverse mortgage securitization while at Lehman Brothers. Tim has extensive interest rate and credit hedging experience, and at Aurora Bank FSB, was responsible for daily pricing for mortgage origination. During his tenure at Longbridge, Tim was instrumental in obtaining Ginnie Mae HMBS Issuer approval, and since that time Tim has managed the issuance of over \$7bn of HMBS pools. Tim has played a key role in Longbridge's development of proprietary reverse mortgage products, as well as being responsible for pricing across all Longbridge's origination channels.
