

Kari Van Kleef, CMG Financial

Kari Van Kleef serves as the Operations Manager of the Reverse Lending Division at CMG Home Loans. Kari, a 27-year veteran of the mortgage industry, has extensive operations knowledge on both the forward and reverse side of the mortgage business. Her passion for the Reverse Mortgage product and serving senior clients ultimately led her to specializing in Reverse Mortgages. In February of 2015, Kari was part of a small team that joined Fairway Independent Mortgage Corporation to operate their reverse division. Kari's industry tenure and vast mortgage experience helped her cultivate an operations system from the ground up that has proven to be successful.
